# 傅斯年 讀書筆記特展

傅斯年（1896-1950）是中央研究院歷史語言研究所的創建者，「新史學」的開山人物，五四新文化運動的領導者，更是一位廣泛參與社會事務的教育家與政治評論者，其一生的重要性是多方面的。

民國四十九年十二月，傅先生逝世十周年，夫人俞大綵教授捐贈傅先生藏書12,000餘冊，含中、日、英、德、法、俄等語文，而以萬餘冊的中文線裝書為大宗。書中不乏先生眉批、校勘、題跋等讀書筆記，朱墨燦然。

本特展主要分二大主題。第一主題係傅斯年私人文物展示，有先生所撰傳略、信稿等，可認識先生性情，並有用印、藏書章、友贈書、筆記、著作、相冊等。第二主題即先生讀書筆記，依原書內容、書寫方式和語文區分：「漢、晉史」、「明、清史」、「集、叢部」、「題記」、「碑帖」、「校書」、「西文書」七單元。從先生筆記可見其治學之用力，觀其心中之好惡。《明史稿》載楊溥因太子迎帝遲，受株連入獄十載，其間「益奮讀不輟」，先生於是行眉批：「吾何得有此讀書機會？」令人為之動容。

特展期間，適逢傅先生逝世七十周年暨一百二十五歲冥誕，並其藏書入藏本所一甲子，藉此特展紀念先生為史語所樹立典範，認真讀書、做學問，「又能治事、能組織」。兼以此為傅斯年圖書館建館六十周年致慶。

## Note. Fu Ssu-nien

Fu Ssu-nien (1896-1950), founder of the Institute of History and Philology (IHP) and forerunner of the “New Historical Studies,” as well as leader of “May Fourth Movement,” was also an educator and political critic who participated in a wide range of social movements. His life was significant on multiple levels.

In December 1960, the 10<sup>th</sup> anniversary of Fu’s passing, his wife, Prof. Yu Da-cai, donated over 12,000 books from Fu’s collection to the IHP. These books came in a wide variety of languages, including Chinese, Japanese, English, German, French, and Russian. Of these, Chinese thread-bound books took up the majority with over ten thousand volumes. In these books, his reading notes such as criticisms, corrections, and comments dotted the pages.

This special exhibition features two areas of Dr. Fu’s collection. The first is Fu Ssu-nien’s personal items, including short biographies and drafts of correspondence, as well as personal seals, ownership stamps, books given by friends, book notes, writings, and photo albums. These items allow for a glimpse of Fu’s hobbies and temperament. The second highlights Fu’s reading notes, categorized into seven subjects on the basis of book content, styles of writing, and languages, namely “History of Han and Jin Dynasties,” “History of Ming and Qing Dynasties,” “Collected Works and Book Series,” “Commentaries,” “Steles and Rubbings,” “Proofs of Collation” and “Books in Western Languages.” These reading notes allow for not only Fu’s rigorous research but also his intellectual preferences. According to the account of the *Draft History of Ming*, Yang Pu was sentenced to ten-year imprisonment for being implicated in the prince’s tardiness in welcoming the emperor. While in prison, Yang studied relentlessly, and to this Fu wrote quite touchingly: “How come have I had the fortune to immerse myself in studies?”

This special exhibition happens to take place at the 70<sup>th</sup> anniversary of Fu’s passing and his 125<sup>th</sup> birthday, as well as the sixth decade of the IHP housing his book collections and establishing the Fu Ssu-nien Library. This exhibition is a tribute to Fu in light of his motto for the IHP: devoting oneself to rigorous research while also having the ability to govern and organize.
